Observation Reflection Documentation

Date: _____

DO NOT INCLUDE ANY IDENTIFYING INFORMATION ON THIS FORM (e.g., client name, DOB)

ASHA Standard V-C

The applicant must complete a minimum of 400 clock hours of supervised clinical experience in the practice of speech-language pathology. 25 hours must be spent in guided clinical observation, and 375 hours must be spent in direct client/patient contact.

1. What was the main communication focus?

2. What did you learn today? (e.g., comment on two aspects of the session, such as materials, interaction, timing, family involvement)

Note to the Clinical Instructor: After reviewing with the student, sign off on the Observation Clinical Hour Sheet and shred this document.
