

THE UNIVERSITY
OF ARIZONA

Research Opportunity

**We are looking for children to participate in a study
of how speech develops**

To participate, you should speak fluent English and your child should:

- be enrolled in 4th-8th grade
- speak fluent English
- have normal hearing

We will test your child's hearing. Then, your child will be audio recorded while having a short conversation with the investigator and reading a passage.

The study will take about 15 minutes.

Children will receive a small token for participation.

For more information, please contact:
