

Doctor of Audiology Plan of Study - Provisional

Student Name: _____ Year of Cactus Book: _____

Academic Advisor: _____

Note: The maximum number of units that may be taken in any given semester is 19.

Course	Units	Title
Fall Year 1		
(Year _____)		
SLHS 562A	3	Anatomy & Physiology of Aud & Vest System
SLHS 562B	3	Psychophysical Acoustics
SLHS 565	3	Acoustics for Speech & Hearing Sciences
SLHS 589R	3	Advanced Audiologic Eval
SLHS 589L	1	Lab: Advanced Audiologic Evaluation
SLHS 595A	1	Current Problems in SLHS: Colloquium
559	2	<i>Clinical Studies (Rocketship)</i>
TOTAL UNITS: _____		

Spring Year 1		
(Year _____)		
SLHS 500	3	Research Methods
SLHS 509	1	Pediatric Audiology Clinic Readiness
SLHS 581A	3	Amplification I
SLHS 587A	1	Lab for Amplification I
SLHS 582A	4	Disorders of Hearing & Balance
SLHS 596M	1	Tinnitus
SLHS 795a-001	1	Clinical Issues in Audiology
559	2	<i>Clinical Studies</i>
TOTAL UNITS: _____		

Summer Year 1		
(Year _____)		
559	2	<i>Clinical Studies</i>
SLHS912	_____	Audiology Doctoral Project
TOTAL UNITS: _____		

Fall Year 2**(Year _____)**

SLHS 510	2	Counseling Techniques in Comm. Disorders
SLHS 581B	3	Amplification II
SLHS 588A	3	Physiological Eval of the Auditory Sys
SLHS 588L	1	Lab: Physiological Eval of Aud System
SLHS 596J*	2	Seminar: Business Aspects of Audiology [even years]
SLHS912	_____	Audiology Doctoral Project
_____	_____	Minor Course: _____
559/659	3	<i>Clinical Studies</i>
TOTAL UNITS: _____		

Spring Year 2**(Year _____)**

SLHS 586	4	Pediatric Audiology
SLHS 568*	3	Speech Perception [odd years]
SLHS 588B	3	Assessment & Rehab of the Balance Sys
SLHS 588Q	1	Lab: Assessment & Rehab of Balance Sys
SLHS 588C*	4	Eval of Auditory Perception & Cognition [even years]
SLHS 795a-002	1	Clinical Issues in Audiology
912	_____	Audiology Doctoral Project
_____	_____	Minor Course: _____
559/659	3	<i>Clinical Studies</i>
TOTAL UNITS: _____		

Summer Year 2**(Year _____)**

912	_____	Audiology Doctoral Project
TOTAL UNITS: _____		

Fall Year 3**(Year _____)**

SLHS 501	1	Professional Issues
SLHS 596G	3	Cochlear Implants
SLHS 587G	1	Lab for Cochlear Implants
SLHS 596J*	2	Seminar: Business Aspects of Audiology [even years]
559/659	3	<i>Clinical Studies</i>
912	_____	Audiology Doctoral Project
_____	_____	Minor Course: _____
559/659	3	<i>Clinical Studies</i>
TOTAL UNITS: _____		

Spring Year 3**(Year _____)**

SLHS 568*	3	Speech Perception [odd years]
SLHS 580	3	CAPD
SLHS 584	1	Occupational & Community Audiology
SLHS 588C*	4	Eval of Auditory Perception & Cognition [even years]
SLHS 596B	1	Pharmacology for AuD
912	_____	Audiology Doctoral Project
_____	_____	Minor Course: _____
559/659	3	<i>Clinical Studies</i>
TOTAL UNITS: _____		

Summer Year 3**(Year _____)**

912	_____	Audiology Doctoral Project
TOTAL UNITS: _____		

Fall Year 4**(Year _____)**

SLHS 921	_____	Externship: Audiology (≥ 6 units/semester)
912	_____	Audiology Doctoral Project
TOTAL UNITS: _____		

Spring Year 4**(Year _____)**

SLHS 921	_____	Externship: Audiology (≥ 6 units/semester)
912	_____	Audiology Doctoral Project
TOTAL UNITS: _____		

Audiology Doctoral Project: Include 9 units of SLHS 912. Indicate the semesters you plan to take these units. For ADP students typically enroll in 1-3 units per semester beginning in the Fall of their second year, though it is also possible to begin in the first year. Summer enrollment in SLHS 912 is particularly recommended between the second and third years.

Minor _____

If you do not know your minor, write down the options you are considering. A list of approved minors can be found here: <http://grad.arizona.edu/programs/#deg-minor>. Please note that the minimum number of units for a minor is 9 and for some departments, may be 12 or 15 units.

Other Required Coursework (important for ASHA certification)

Credit from undergraduate course is acceptable (i.e., "take or show"). Courses need to appear on a transcript on file with the department in order to be counted. Indicate course name and where/when enrolled.

Speech or Language Development: _____

Adult or Pediatric Communication Disorders: _____

Statistics _____
(Syllabus approved by advisor; includes ANOVA/general linear models):

Social Science: _____

Physical Science (Chemistry or Physics): _____

Biological Science (Human or Animal): _____
