

## Career & Graduate School Resources

[Career Coaching](#) Student Engagement & Career Development assists students with exploring what they CAN do with a major in terms of a career and will assist you in putting your career plan into action.

- [Resume Lab](#) is just that: a lab where students can drop in to meet with Peer Educators to get constructive feedback and suggestions to improve their resumes.
- [Career Educators](#)
- [Networking](#)

[Skill Building Programs](#) Employers are seeking graduates who can demonstrate important soft skills such as teamwork and creative problem solving, and also grasp the latest technologies, digital tools, and techniques like coding, analytics, and social media while showcasing creativity and innovation.

When you have confidence in yourself and your goals, nothing can stand in your way. [EDGE Internship Readiness Program](#) empowers you to articulate your goals and then go after them by creating a plan of action. The sooner you create one, the sooner you can pursue your purpose.
