

Financial & Technology Resources

Money got you down? Here are some resources for helping out with tuition or getting a job!

- The [Arizona Assurance Program](#) is a financial aid program for low-income students in the state of Arizona. The program is designed to assist students in attaining a bachelor's degree by providing financial aid and support services.
- Look for some free money at [Scholarship Universe](#)! You fill out a profile, UA looks for scholarships, and you apply. Easy!
- Check out [Student Engagement & Career Development](#) for help with job search, [employment fairs](#), and [career coaching](#).
- Check out UA's [Handshake](#) for on- and off-campus positions, internships, and full-time jobs.

Need to get some technology of your own, or maybe just borrow some? Having a problem with the technology you have? Check out these resources:

- The [Office of Student Computing Resources](#) (OSCR) has computer labs [all over campus](#) with a variety of hardware and software available.
- OSCR also offers [Gear-to-Go](#) so you can borrow equipment like video cameras and microphones.
- [The 24/7](#) IT Support Center provides support for your technology any time you need it in person, over the phone, or online.
- The [UA Bookstore](#) has a huge selection of [technology](#) for your computing needs plus access to [free or discounted software for students](#)!
